8	UNITED STATES DISTRICT COURT WESTERN DISTRICT OF WASHINGTON	
9	AT TACOMA	
10	TERRANCE JON IRBY,	
11	Plaintiff,	CASE NO. 3:15-CV-05208-RBL-JRC
12	v.	ORDER GRANTING MOTION TO STRIKE
13	STATE OF WASHINGTON, et al.,	
14	Defendants.	
15		
16	This 42 U.S.C. § 1983 civil rights matter has been referred to the undersigned Magistrate	
17	Judge pursuant to 28 U.S.C. §§ 636 (b)(1)(A) and (B) and Local Magistrate Judge Rules MJR 1,	
18	MJR 3, and MJR 4.	
19	Defendant Guidry filed a motion to dismiss (Dkt. 208), which plaintiff responded to (Dkt.	
20	219, 221). However, in his reply, defendant Guidry requests that the Court strike plaintiff's	
21	responses to his motion to dismiss because it was not filed in a timely manner. Dkt. 227. The	
22	docket indicates that both plaintiff's responses were filed on November 8, 2017, before the

24		

November 13, 2017 deadline. See Dkt. The Court will therefore not strike the responses on this ground. Defendant also argues that the Court should strike the responses because together they are 44 pages, 20 pages over the limit prescribed in Local Rule 7(e). Plaintiff filed both an "answer to [dkt. 207-208]" (Dkt. 221) and "rebuttal-response" (Dkt. 219) that appears to be an addendum to his "answer." Defendant is correct that plaintiff's responses, taken together, are over-length. See Dkts. 219, 221. Because of this, the Court will not consider anything beyond the length mandated by Local Rule 7. Therefore, the Court considers the first 24 pages of plaintiff's "answer" and declines to consider plaintiff's "rebuttal-response." The Court grants defendants' motion to strike (Dkt. 227) in part. Dated this 12th day of December, 2017. J. Richard Creatura United States Magistrate Judge
